## Education

- **HND in Software Engineering** *Institute of Computer Eng. Technology* 2025 - present  
I am an aspiring software engineer currently studying at the Institute of Computer Engineering Technology (iCET). My academic path is intricately woven with my innate flair for coding and a keen interest in project management.
- **Diploma in Information & Communication Technology** *IMBS Green University* 2021 - 2023  
I got my first professional qualification in Institute of Management & Business Studies (IMBS). I successfully completed 2 years diploma in Information & Communication Technology which was certified by Prof. Sarath Amunugama and United Kingdom & Distance Learning Center in Sri Lanka . I could get a great experience in Engineering field from IMBS Green Campus.
- **G.C.E Advanced Level Examination - 2024**  
*Index No : 2520117* Z-Score: 1.5937  
Achieved strong academic results in the G.C.E. A/L Examination, demonstrating proficiency in a broad range of disciplines:
  - Geography – A
  - Art – A
  - Information & Communication Technology – B
  - Island Rank – 3154
  - District Rank – 130

## Experience

- **Aspiring Software Engineer** 2025 – Present  
  - Began a formal journey into software engineering in 2025, building technical expertise in programming, systems design, and application development.
  - Currently developing skills through projects and academic learning, actively seeking opportunities to grow and apply knowledge in real-world environments.
- **Founder & Graphic Designer** *CV&B* 2021 – Present  
  - Established and managed CV&B, a private graphic design page, offering creative design solutions for clients in various industries.
  - Delivered branding, print, and digital media design services, cultivating early experience in entrepreneurship and client communication.
  - Gained hands-on experience with business operations, project management, and customer satisfaction.
- **Freelance Creative Professional** 2020 – Present  
  - Worked independently as a graphic designer, web designer, and digital artist, providing customized visual solutions to individuals and businesses.
  - Developed websites and visual content using design tools and web technologies, strengthening creative and technical versatility.
  - Built a portfolio of diverse projects while nurturing long-term client relationships.
